

# CF3060

Automatic, Adjustable-Angle, Double Cutter End Milling Machine

Cutting oil spray system

### FEATURES

- End milling of PVC and Aluminium profiles
- Adjustable cutter moving speed
- With 4 STOPPERS - Profile stop system in order to process the profile correctly
- 4 different adjustable profile support system.
- Milling at adjustable angles
- Automatic cutter mechanism
- Two sets of cutters can be fastened.
- Working with two cutters without adjusting thanks to pneumatic double step system
- Pneumatic Profile Clamping System
- Safety cover for safe cutting
- Absolute safety against accidents thanks to CE Certificated Safety Components

### OPTIONAL EQUIPMENTS

- 19848 Cutting oil spray system (for aluminium)
- Cutters

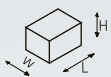

Cutters

End milling operations
